

Three Island Lake, Mount Pleasant Farm, Stewkley

2024 Membership Information

In 2024, to maintain the exclusive fishing experience for the benefit of our existing members and new members, we have extended our opening period and times that the lake will remain open until and are offering members the opportunity to purchase a guest pass. At the start of the 2024 season we were seeking to introduce some larger carp to the lake. We are thrilled to confirm that we took delivery of five 23lb – 15.5lb carp on Monday 22nd January 2024 from VS Fisheries which have been introduced to the lake. In addition, we are seeking to reintroduce fishing matches. On match days, half the lake will still remain open for pleasure fishing and we will notify members of any bookings at the earliest opportunity.

The season re-opens on 1st March 2024 until 15th December in each year.

Members will be permitted to bring a spouse or child (under the age of 16 years old) to fish or spectate. The spouse and child must be accompanied by the member. The adult member must accompany the child at all times and the child must not be left alone. Only members who have purchased a guest pass will be permitted to bring a guest.

Guest Passes can only be purchased by members. Members who purchase a guest pass will be allowed to bring one guest (this does not have to be the same guest but the guest must accompany the member) to fish with them up to 5 or 10 times during the year, depending on which guest pass you purchase. When bringing a guest, members must notify the owners in advance by email or text providing the guests name, contact telephone number, email address and car registration details.

If members wish to book a fishing match then please contact us for further information on info@mountpleasantfarmstewkley.com or telephone 07561 058112.

Membership for the 2024 season is £250 (equivalent to £26 per month approx.) The Guest Pass price is £75 for 5 times or £125 for 10 times and can be purchased at any point during the season. Full payment must be made before fishing can commence. Membership will not be automatically renewed. All members must reapply annually.
